

# The Outside Events 2016

We have promised to hold some workshops for a long time and finally we have made some dates!

Would you like to come and spend a day at the Outside hub at Hardwick, (which inspired Wind in the Willows) Whitchurch-on-Thames, Oxon?

The workshops will be fairly experimental while we find out what you would most like to learn. We shall try and tailor activities to your interests and passions in the world of archaeological and historical textile production.

We have a large dye garden and dye house, fibres and lots of weaving and spinning equipment to play with.

Dates: September 17th/18th and October 15th/16th

Prices: £60 per day. 10.30am for an 11am start - 4pm

This year The Outside members are embarking on an ambitious project. We are attempting to collect and dye swatches with all the notable historic dye plants in the UK. Part of this project will contribute to a masters thesis and a book on ancient dyes, the rest will take years...

If you would like to be involved and help collect dyestuffs or process, record and dye swatches, let us know. We would like to extend this project to as many interested people as we can.

Dates: June 26th, July 17th and Aug 7th

Prices: £30 per day. 10.30am for an 11am start - 4pm
